A few notes regarding messages on the Spirit Rock...

The Spirit Rock is specifically intended to celebrate our students and our school by highlighting student accomplishments and birthdays, HMS school and club activities, and other related events.

While we appreciate and enjoy supporting local companies, we have specific outlets for those wishing to advertise a company. Please see our "[Sponsorships](#)" page or email us for information.

We encourage parents to express their family's personality and values in communicating a message to their child; however, messages that may not reflect the school as a whole should be worded in such a way as to be clearly from the parent(s). This can be done by adding something as simple as, “Love, Mom and Dad” at the end of the message, or by preceding the message with the child's name, title, or an endearment (“Son”, “Sweetie”, etc.). If you have questions, feel free to reach out to the Spirit Rock chair or to the school.
