Secretary's Report - None

Treasurer's Report - Year started \$28, 301. 19. Two United Arts checks waiting to clear . Will update with an itemized budget of what each area has left since we are at the half way point in the school year.

Principal's Report - Ms. Newhouse shared that teachers were not ready to talk about 8th grade celebration as they were finishing up the quarter right after our last meeting. There has been an increase in COVID classes, seeming to come from outside contacts. As far as the bus driver situation, the school is trying to spring to action and notify parents as soon as possible as they find out about buses without drivers. The school is about to analyze quarter 2 data and determine honor roll, etc. We will be able to meet in person as of now. So many parents sent notes and kind words to the teachers and school at break time. It was so nice.
