

SPIRIT TILES FOR SALE

“A Call to Fill the Hall”

Have you looked up as you walked into the school? If so, you have probably seen the spirit tiles on the ceiling. These tiles add creativity, color and individuality to our school. We would like to continue the path of tiles from the office to the cafeteria. Please help us and leave your “mark” on the ceiling of your school!

For \$30, you can purchase a tile to paint for the school. All we ask is that it be HMS related in some way. If you are interested, please return this form to box in the office and we will get a tile to you for painting. Questions? E-mail rebekahjenks@gmail.com.

Keep in mind you can do this alone or with friends or with a school organization/group/sports teams.
